WEIGHT LOSS CLINIC

Is your favourite pooch or feline friend carrying a little extra weight? Why not book an appointment at our weight loss clinic with our Vet Nurse Donna? Donna can work with you to both dietary and nutrition advice, assist with a program to get your pet in perfect condition and much more. Don't forget this service is completely free to all our existing clients.

The sun is starting to shine and hopefully we have seen the last of the wintry weather. This means one thing, Fleas will start to thrive in the milder temperatures. We have already started to see a few of these pesky parasites appear on our pets so the time has come to act. Don't worry though, our amazing team are on hand to assist you with our fantastic range of products, ensuring your pet gets the correct flea treatment and is ready for the summer!
