## Autumn 2018 Newsletter

### STAFF UPDATE

Some new faces here at Kerr Vet Group. We have been busy recruiting as a result of our continued growth and we are pleased to welcome Donna MacDonald who will be joining our Nursing team. We are excited to now have two Nurses at the Practice and see below for all the services they can now offer to all our clients.

We are officially 30 years old! In 1988 Kerr Vet Group was founded by original owner Ian Kerr. 30 years later and we are still proud to be one of the last independent vet practices in the area.

As part of our 30<sup>th</sup> celebrations we have been busy behind the scenes making plans to refurbish our Bridge of Weir surgery after investing in our Johnstone surgery earlier this year. We feel these works are essential to ensure we can offer the same great service and experience to all our clients. In September we will be creating a second consultation room to allow us to offer more appointments and services. We will be refurbishing our operations theatre and reception area, providing a welcoming environment for your visit. We will not be closing during these works and the impact on clients will be kept to a minimum.

### DID YOU KNOW YOU CAN NOW BOOK APPOINTMENTS WITH ONE OF OUR VET NURSES?

Our nursing team are now available to do the following procedures. Nail Clips, de-matting, 2nd vaccinations, weight checks and weight loss clinics, worming tablets. Senior Health Checks. Not sure if you need to see a Vet or a Vet Nurse? Contact our reception team who will gladly assist you. Please note these services are only available at our Bridge of Weir Practice.

Like us on Facebook for regular Practice updates and feel free to post comments and share our page. Search Kerr Vet Group on Facebook today!

**We are always keen to hear feedback and suggestions from our Clients on the Services that we offer. If you have any we would love to hear from you so please email to us at [kerrvetgroup@gmail.com](mailto:kerrvetgroup@gmail.com)**
