NURSE CLINICS

Did You know that several routine procedures can be carried out by one of our Registered Veterinary Nurses? Nail Clips, De-matts, Dental checks and weight loss advice can all be booked in to see one of our nursing team. We have appointments available daily. Not sure if you need to see a Vet or Nurse? Contact the Practice directly and we will be happy to advise you.

The sun is starting to shine and hopefully we have seen the last of the wintry weather. This means one thing, Fleas will start to thrive in the milder temperatures. We have already started to see a few of these pesky parasites appear on our pets so the time has come to act. Don't worry though, our amazing team are on hand to assist you with our fantastic range of products, ensuring your pet gets the correct flea treatment and is ready for the summer!
